Objective

I am a graphic designer. I have worked on many design projects and have a lot of experience getting clients from various countries. The design categories I work on are very diverse, from print design to social media design. I have been in this field for 12 years and I hope that I can be accepted to work here. Thanks.

Experience

Thynk Unlimited, 2016

Here I do a lot of work on template designs in a marketplace.

Ingoude Company, 2018 - Present

Here I am a manager who has the task of supervising the design of the employees.
